Dear Friends

The Cheltenham CTC is holding their Cotswold Cycling Weekend in 2012 as per the details above, and I have been appointed organiser for the event.

As you participated in the 2009 weekend which thanks to your participation was a great success, I am enclosing copies of the Booking Form for the coming year's event. I sincerely hope you would like to join us again and enjoy a weekend in the Cotswolds and surrounding area.

Should you decide to join us again in the coming year, I can assure you that you will be very welcome and we would be pleased to have your company once again.

If you do decide to participate in next year's event, I would be grateful if you would please complete the Booking Form and return it to me as requested on the form. If you could also mention the event to your other club members and cycling friends (and pass on a copy of the Booking Form) this would also be much appreciated.

Whatever you decide, I thank you for your support in the past and wish you may you continue to enjoy many happy miles of cycling.

With all my best wishes and should you decide to join us next spring; I can assure you of a very warm welcome.

Sincerely yours

Marie Cook
